Dear Robert:

New Year resolution  
write letters. Meant to send this  
copy before but thought it  
might get caught up in  
Christmas mail. Do not know  
if you want the tape back or  
if this a copy. Have not heard  
it right through yet - I do  
dislike listening to my own  
voice, but will finish it  
soon

Best wishes for '1992,  
we are going today to Avoca  
Beach for a few days.

Sincerely  
Mavis Lamrock
